CAUTION . . . . . .

Pay no money in advance to Internet Directory Canvasser. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance, before showing an actual book. We have no traveling agents, and will not be responsible for any money paid in advance. We ask no payment until book is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CAUTION . . . . . Pay no money in advance to Hillcrest Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as spectators, and by that means collecting money in advance. Before signing an order see that it has the name of the publication thereon. Canvassers are not authorized to collect money, but work is delivered and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
